

NATURE'S CLEAN LAUNDRY DETERGENT SHEETS EARNED USDA CERTIFIED BIOBASED PRODUCT LABEL

Dear Partners,

We are happy to announce that Nature's Clean Laundry Detergent Sheets have earned the USDA Certified Biobased Product Label.

This certification recognizes products made with renewable, biobased ingredients and supports more sustainable purchasing decisions. This achievement reflects a continued commitment to delivering effective performance while advancing environmentally responsible solutions.

Please refer to the full [press release](#) for more details.
