

New Member Portal GO LIVE

Dear Partners,

Nefful International shall implement the revamped member portal on July 2nd 2020, in the hope to bring you a streamlined digital experience. The revamped member portal seeks to provide empowerment to our partners to allow greater control of their membership. It is designed with a simple navigation system and is targeted to help partners stay on top of the latest information on upcoming activities, sales volume updates and providing resources that could support partners in managing their marketing strategies.

During the implementation, all offline and online services to public will not be available on June 30th and July 1st. We seek your understanding in this matter while we improve our services to support you.

Your login credentials will remain the same as the current portal. The links to the instruction guide, instruction video and FAQs of the revamped member portal are enclosed here for your reference.

Note: Online enrollment will be launched on a later date, do look out for our latest updates
